N.B. You will also receive Duffy Sticky Labels with your book order to attach to every book the children at your Centre receive.

IDEAS FOR MAKING YOUR BOOK SELECTION

- ❖ Try displaying the **Ready 4 Reading** brochure on your notice board or printing out copies to pass around, so that parents/caregivers can give you their input and any preferred choices, or direct them to the website link to look through the entire range of books on offer.
- ❖ You may like to have a discussion about the books from the brochure during your mat time session with the children. The children could take a vote on the books that interest them the most.
- ❖ Log onto www.wheelers.co.nz/books-in-homes in mini sessions with the children at your Centre to show them the greater range of books online. The children could suggest the books they are most interested in reading.

IDEAS FOR CELEBRATING THE ARRIVAL OF YOUR BOOKS

- ❖ We suggest you find an ideal time to celebrate your **Ready 4 Reading** Book Offer with your children and their parents. This could be part of a regular meeting you already have, or you could create a new event and invite parents along.
- ❖ If you have ordered online and received your free book, this could be used during your presentation to read to the children.
- ❖ You should also have been sent the Duffy song **Read About It** on CD to sing at your book offer celebration. If you don't have this please contact Duffy directly on 0800 383 392.
- ❖ You may want to choose parents to present the books to each child. It could also be a great opportunity to invite your Board of Trustees or any other sponsor that might be supporting the **Ready 4 Reading** programme.
- ❖ Please note it is a good idea to order a few extra books in case you have new children who started after you made your book order, so they don't miss out on receiving a book during the Book Offer presentation.
